Phase 3 (Late 2022): Replacement and expansion.

Phase 4 (2023): Containment and legal response.

Key Takeaways

1. 2022 is the pivot year with slowing operations and internal dissent.
2. Borys is the final major operator with 2023 activity.
3. Hightower does not show verified 2023 involvement.
4. The system cycles: recruit, burn out, replace.
